### A camp for instruction and fundamental training

This elite basketball camp is excellent preparation for basketball season, getting players in shape, and improving their competitive skills. Our skill-of-the-day program allows players to better understand each fundamental technique and work to improve that particular skill throughout the day. Campers focus on skills like defense, dribbling and ball handling, reading screens, passing, shooting, moving without the ball, one-on-one jab series, and developing a routine.

#### About the Hofstra Men's Basketball Team:

- Head Coach Joe Mihalich has been a head coach for 20 seasons and has led the team to over 300 wins
- Hofstra Assistant Coach "Speedy" Claxton was an NBA champion with the San Antonio Spurs
- Camp Director Colin Curtin is the two-time head coach of Overseas Elite – The Basketball Tournament champions
- Hofstra Men's Basketball has over 15 former team members playing professional basketball

**"Skill of the Day" focuses on a different fundamental skill each day – PLUS, each week, players enjoy a skill development clinic from a Division I Hofstra coach.**
